Recordings in Nashville. *Cover design by Will Geer, Metro Productions*

This CD honors the second oldest U.S. Army post in the nation,
Carlisle Barracks, during its 250th anniversary year. Each piece of music that was selected relates to
its history. Some of the music is familiar and other compositions that are included have never been

Several premier musicians from Maine to
Alabama contributed to this project including
The U.S. Army Band and Chorus, The Federal
City Brass Band, the Huntsville Community
Chorus Chamber Choral, & others. It's wonderful
being able to hear so many of America's best
musicians on one recording! Excerpts are available on the distributor's website.

This unique gift is perfect for graduations, celebrations, Father's Day, patriotic holidays, or for anyone
who enjoys music, Army history and great performances!

recorded before. Unique photographs and
program notes walk the listener through the
home of the U.S. Army War College, Carlisle
Barracks, PA. Partial proceeds will go towards
the new Army museum to be completed
there in 2010.
